Re: Public Meeting on Goods Movement and Ports

Dear Interested Party:

You are invited to the next public meeting on Goods Movement and Ports. The meeting will be held at the following time and location:

Date:	March 24, 2005
Location:	CalTrans District 7 100 South Main Street, 1st floor Los Angeles, California
Time:	9:00 a.m. to 4:00 p.m.

During the previous Goods Movement and Ports meetings hosted by the California Environmental Protection Agency (CalEPA) and the Business, Transportation and Housing Agency (BT&H) in Los Angeles and Oakland, information concerning challenges and issues regarding goods movement in California were shared.

The March 24th meeting will focus on setting the priorities for action regarding improving the movement of goods in California. A preliminary agenda and the draft report, *Summary Report/Action Plan*, will be posted on each of the agencies' respective websites by March 18, 2005, for your review. Comments will be taken regarding this draft report at this hearing. We ask that each person, organization, or entity wishing to provide comments complete the attached pre-registration form in order to make their commentary. Written comments should also accompany your oral presentation. We anticipate that we may need to limit the time allotted to each speaker to 2 minutes to ensure all persons have the opportunity to speak.

We welcome your comments and look forward to meeting with you on March 24th. If you would like to attend and will be issuing oral comments, please send your pre-registration RSVP form to Gwen Strivers at gstrivers@bth.ca.gov.
